

Preface # 2 and Preface #1

The Screwtape Letters by C. S. Lewis

The goal of hell is demonization and absorption; its strategy is seduction and confusion.
The goal of heaven is divinization and individuated interdependency; its method is invitation and clarification.

1st Phase: Preventing Christianity from taking root
WORLD (God plants, establishes; PURGATIVE)

2nd Phase: Removing rooted Christianity
FLESH (God nurtures; ILLUMINATIVE)

3rd Phase: Corrupting well-rooted Christianity
